The Frank & Betty Evans Mission Fund Grant Guidelines

Annual Outreach Grants are funded by The Frank & Betty Evans Mission Fund (Evans Fund) through an Endowment gifted to Christ UMC from the Evans estate. Frank & Betty Evans were generous members of the Christ UMC congregation for many years and gave sacrificially to God and the Church from their gratitude for his blessings. They entrust Church leadership to direct their gifts responsibly.

Christ UMC considers the following values as a way of prioritizing organizations and initiatives we elect to partner with financially:

- Congruence with the mission of Christ UMC “To be In Relationship with God’s Hurting World”.
- Emphasis on equitable relationships between the organization and those served.
- Focus on long-term development with measureable impact, as opposed to short-term relief or rehabilitation.
- Potential impact of Christ UMC’s contribution to the organization offering a strong service and volunteer opportunity to the congregation.
- Robust relationships existing or desired between Christ UMC and the organization in ways other than financial.
- The applicant organization must be focused in one or more of the following areas: Poverty, Homelessness, Hunger, Human Development or Social Justice.

Eligibility

The Evans Fund makes grants to nonprofit, tax exempt organizations with current 501(c)(1), (2) or (3) status.

Christ UMC awards grants only once each calendar year and considers only one application from an organization within a calendar year. Grant awards will be a minimum of \$1,000 and a maximum of \$5,000.

Grant funds must be used to provide services in the Middle Tennessee Greater Nashville Area.

The intended use of funds must address on or more of the following areas: Poverty, Homelessness, Hunger, Human Development or Social Justice.

Funds may not be used to supplant or increase a funding line item of the Christ United Methodist Outreach Committee.

Funds may NOT to be used for Capital Expense, Travel or Entertainment.

Commitment to Informed Grant-Making

Christ UMC performs due diligence on all funding applicants to ensure that they are effective and healthy non-profit organizations. Christ UMC takes into consideration not only written application, but also the results of telephone interviews, site visits and public records if necessary.

Additional documents may be required prior to awarding of grant including, but not limited to, Annual Operating Budget, Current Balance Sheet, Additional Audited Information, Profit/Loss Statement, etc.

Grant Period

Christ UMC intends to make Evans Fund Grant disbursements prior to July 1, 2019. Organizations receiving funds must complete all program expenditures by December 31, 2019.

A formal report is to be submitted to Christ UMC Outreach Committee 30 days upon completion of the project for which funds were used. This report is to address: population served, measureable impacts achieved, success/failures (if any) and areas of improvement recognized. If no report is submitted there will be no future disbursement to an organization receiving funds.

Not All Projects Can Be Funded

The Christ UMC Lead Team has the responsibility for the final approval of each grant. Since we may receive funding requests that exceed our grant budget, we cannot fund every worthy project. A decision not to fund a proposal does not reflect on the merits of the proposal or applicant organization. Grants are awarded on the merits of the grant request yearly. Organizations should not expect that prior awards guarantee future awards.

All questions should be directed to the Christ UMC Outreach Chairperson. Please email Shelly Bleistein at shellyjonb@yahoo.com if you have any questions.
