Fall 2022 - Stewardship Report
We are about Relationships...

With Christ

We renew our connection with God through our Sunday worship (in-person and online), Sunday School and other learning opportunities, and opportunities for retreat and renewal. The living Christ meets us in the proclamation of the word, powerful music, and celebration of the sacraments.

With One Another

We deepen our relationships with our family of faith through our church-wide and age-level fellowship ministries (from the youngest to the oldest). We celebrate life's greatest joys and walk each other through our deepest pains. In everything, we enjoy each other's company and eat well together!
